

OAPT needs your help!!!

The Ohio Association for Pupil Transportation has worked to establish a special license plate to help with the illegal passing of school buses issue.

This special license plate, *"Ohio Pupil Transportation...Safety First!!!"* is now available through your local BMV Deputy Registrar, or at www.oplates.com.

State law allows for a portion of the special license plate fee to be earmarked for the benefit of the sponsoring organization to support its programs. OAPT will receive \$10.00 from the sale of each special license plate to support school transportation programs, provide training to school transportation professionals, and support other initiatives to promote school transportation safety in Ohio. Since OAPT is registered as a 501 (c) (3) non-profit organization with the IRS, a portion of the special license plate fee may be deductible from your federal taxes.

Please share this flyer with your co-workers, family, and other supporters of school transportation safety. Ask them to buy the special license plates to demonstrate your support and commitment to pupil safety. Your support of this initiative helps OAPT's campaign to prevent illegal passing of school buses is greatly appreciated!

FLASHING RED STOP AHEAD

The Ohio Association for Pupil Transportation

About OAPT

The Ohio Association for Pupil Transportation is the pupil transportation affiliate of the Ohio Association of School Business Officials, and the premier association for pupil transportation administrators in the State of Ohio. OAPT is a 501(c)(3) non-profit organization that has been a driving force in the safety and efficiency of Ohio's state-wide pupil transportation program since the 1960s. Members are provided with professional development opportunities, networking opportunities, and resources that promote responsibility in the safeguarding of tax dollars while providing safe pupil transportation systems.
