

Vision Into Practice

A Dive Into Ohio's Standards and Model Curriculum for Science

Hosted by: Lima City Schools and Allen County ESC

Dates/Times: **Session 1: Tues, Nov 19, 2019 4:00-6:00**
Session 2: Tues, Jan 21, 2020 4:00-6:00
Session 3: Tues, March 10, 2020 4:00-6:00
Session 4: Mon, June 1, 2020 8:30-3:30
Session 5: Tues, June 2, 2020 8:30-3:30

Location: **Lima Senior High Library - 1 Spartan Way**
Park in the front lot. Enter through the Main Entrance.

Description: The Science Standards Series consists of five sessions facilitated by ODE science specialists. Participants must attend all five. The sessions are spaced to allow participants to discuss and apply ideas from each session.

Districts are encouraged to send teams to facilitate grade and/or vertical planning. Individual participants will have an opportunity for support with their individual planning.

Instructors: **ODE Science Specialists**

Register: **Register online under Upcoming Events at www.allencountyesc.org**

Contacts: **Joel Steinmetz (jsteinmetz@spartan.limacityschools.org) or Barbara Duval (barbara.duval@allencountyesc.org)**

Credit: **Ashland University credit is available or 18 contact hours**

TOPICS

- Standards 101—components of the standards and model curriculum including the newly developed “Nature of Science” section.
- Instruction—implications of the revisions for both content and pedagogical shifts.
- Implementation—transitioning to 2018 standards, curriculum planning, identifying quality instructional materials, and more.

Cultivating educators as we continually empower them in their profession.
