

VOLUNTEERS NEEDED!

Swamp Romp 2016 will take place on Oct. 7-9 at the Allen County Fairgrounds. SESA will be making 2 liter bottle rockets with Scouts from Northwest and West-Central OH. On Saturday October 8th, we are hoping to give 500 groups of Scouts a chance to explore the fundamentals of Newton's Laws of Motion by creating and launching their own rockets. If you would be willing to volunteer, groups of Scouts will start constructing their rockets at 9:00 a.m. and go until 5:00 p.m. Please let me know if you can help out! The more volunteers, the better the experience will be for the Scouts! If you are available to help, email me your preferred times at Kathy.buescher@huskyenergy.com
