Confidentiality Agreement

I understand that **student confidentiality** is of utmost importance when working in a special education classroom, and must be maintained at all times. This includes not only when I am in this building, but also pertains to the sharing of any student information in other buildings/districts or in the community.

Due to FERPA (Family Educational Rights and Privacy Act), students are not to be discussed outside of the classroom with anyone but the classroom teacher and/or teaching assistant. I agree to maintain this student confidentiality at all times.
